Mr. Howland Wood.

Dear Wood.

Yours enclosing your own note, and  
photo of Pultis at hand. Many thanks.  
I should like to know date, and place  
of issue of your note.

I am enclosing the <sup>1908</sup> Refus note,  
and 12<sup>th</sup> New Jersey Card in exchange  
for the two specimens sent.

The Camp Douglass cards, of which  
there are three denominations in  
salmon colour, and 4 in pink you  
may have at - 25¢ each. I think that  
is a fair price. I have been intend-  
ing looking up the history of Camp -  
Douglass, and sending these cards  
to Duffield to illustrate, but have not  
done so as yet. Hope you will do  
so. Yours sincerely, H. A. May.

Dear Wood,

Can you tell me the origin of this piece? Struck in copper. Holed and has been worked on a ring as shown by the hole.

Rev. is blank. Raised border,

Thanks,

H. G. Gray

Dear Gray:

The piece, of which you send a rubbing is,  
to my mind, in no sense a coin. It may be some sort  
of a charm or talisman, but, even so, I doubt it! The  
sad fact is that I know nothing about it!

Very truly yours,

Curator
